## Jaymes Grace...

a blogger -intermittently, website designer -on occasion, socioeconomics enthusiast -all the time! Jaymes is a highly regarded and referred social media marketing expert and consultant who has developed and taught on-line courses in social media and social media marketing.

Jaymes is the Founder and Chief Executive Contributor of The Communication Loft ([www.thecommunicationloft.com](http://www.thecommunicationloft.com)), an open source style website, designed to provide an open door to the sometimes still confusing world of socioeconomics and the almost always confusing and ever changing world of real estate. A licensed real estate agent in New York and New Jersey - Jaymes works with a small boutique firm in Manhattan located in the neighborhood of Chelsea. As well as being a licensed agent, he serves as the company's Media Technology Director. Jaymes is a New York Real Estate Examiner for Examiner.com.

Jaymes' creativity has few boundaries and his range of interest is almost limitless. Jaymes is a talented writer and photographer, along with being a creative presenter and public speaker!

### Failing My Way To Excellence

#### "Really, I would never would have guessed you're bipolar!"

Jaymes shares what it means for him to be bipolar. The daily challenges and the lifetime struggles. From becoming aware of the disorder, recognizing, coping, succumbing and rising above! Hear the tidal wave journey, that is much more than a mood swing. Much more indeed!

#### "Why Aren't You Rich?"

"Do you think you know the answer? When someone in sincerity asked me that question, I actually knew the answer. Somewhere in between hearing the question and knowing the answer, changed my life!" - Jaymes Grace

## TESTIMONIALS

Jaymes is not only gifted in his uncanny ability to foresee growth opportunities, he is also a very talented motivational speaker.

#### **Shelly Wenzlaff**

Regional Manager

First American Home Warranty

I attended one of Jaymes' workshops on Marketing With Social Media Tools. Jaymes is very knowledgeable in the area of marketing. Many of us were not aware that these tools were right at our fingertips. I walked away from the workshop able to clearly understand how using social media tools can take my business to the next level.

[Cheryl Jaminson](#) Founder & Chief Executive Producer at GrowthSource Professional

Jaymes developed and implemented a strategic social media and email marketing strategy for Metropolitan Community Church of New York. The campaign has been a great success for MCCNY.

#### [Michael Easterling](#)

Operations Manager at Metropolitan Community Church of New York

Well, where to begin! Jaymes taught me an approach to social media that allowed me to be recognized and trusted in a new community. This was not an easy thing to do as I am a financial expert helping small businesses get organized and be profitable. Jaymes helped me so I could help others - what could be better than that!
